ETHOS

The 'Wormley Way' champions positive values and behaviours such as fairness, integrity, inclusion and leadership. It is the fabric that underpins our commitment to being a model club within the community, developing players and making football enjoyable for everyone.

"Everybody should get to play, enjoy the game, have fun with their friends and grow their love of the sport"

We have a great committee that make decisions based on how they will benefit the club for now and the future. The committee mandatory positions are Chairman; Secretary; Child Welfare Officer; Head of Development

We have amazing facilities, boast to have one of the best grounds in Hertfordshire and proud to say we have the best pitches in the area.

PRINCIPLES

- *Football for children of all ages / abilities in a safe and friendly environment*
- *Welcoming and fun atmosphere that promotes good behaviour and respect for others*
- *Encouraging players to be as good as they can be, have fun and understand it is acceptable to lose*
- *Challenging and supportive environment where children can learn from their mistakes*
- *Positive structured coaching to give the children confidence, nurture their skills and play in all positions*

GOALS

- *Over 20 players between 4 to 6 years old attend the Dev Squad every week*
- *Minimum of 2 teams formed at U7s*
- *90% of players from the original U7s are still playing football when it moves to 11 aside*
- *90% of the players that started 11 aside are still playing football when they leave senior school*
- *50% of the U18s team play for the Wormley Rovers (senior football) or for a club of a higher standing in the football pyramid*

WAY WE PLAY

We have a style of play and philosophy that underpins the structure of the teams as they move through the age groups.

STYLE & PHYLOSOPHY

- *Play fair and adhere fully to the rules of the game*
- *Use of the whole pitch (including the goalkeeper) to create a total passing game*
- *Positively discourage consistent long balls*
- *Produce players who are comfortable in possession and are able to master the ball*
- *Enjoy positive and attacking football*

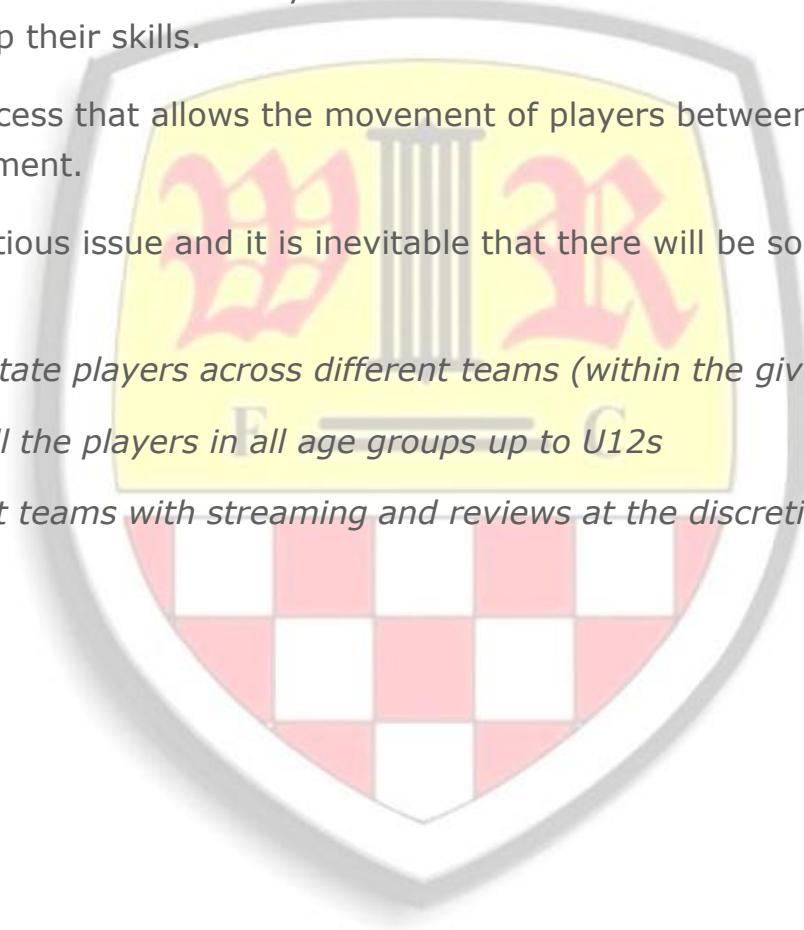

TEAM STRUCTURE

The primary aim is for all the players to have fun, whilst developing at their own rate and playing in a team which is consistent with their own ability. We do not 'stream'. We create a pathway for all children to play and develop their skills.

Player streaming is the process that allows the movement of players between the teams, in line with their level and speed of development.

Streaming can be a contentious issue and it is inevitable that there will be some level of debate and difference of opinion.

- *U6s to U8s teams will rotate players across different teams (within the given age group)*
- *Equal playing time for all the players in all age groups up to U12s*
- *U12s upwards will be set teams with streaming and reviews at the discretion of the coaching staff*

WAY WE COACH

We focus our coaching on the development of technical / psychological / physical / social skills in line with the FA '4 Corners' model and all lead coaches will be FA Level 1 qualified (as a minimum).

"Your role in helping children to develop as footballers and young people should never be underestimated"

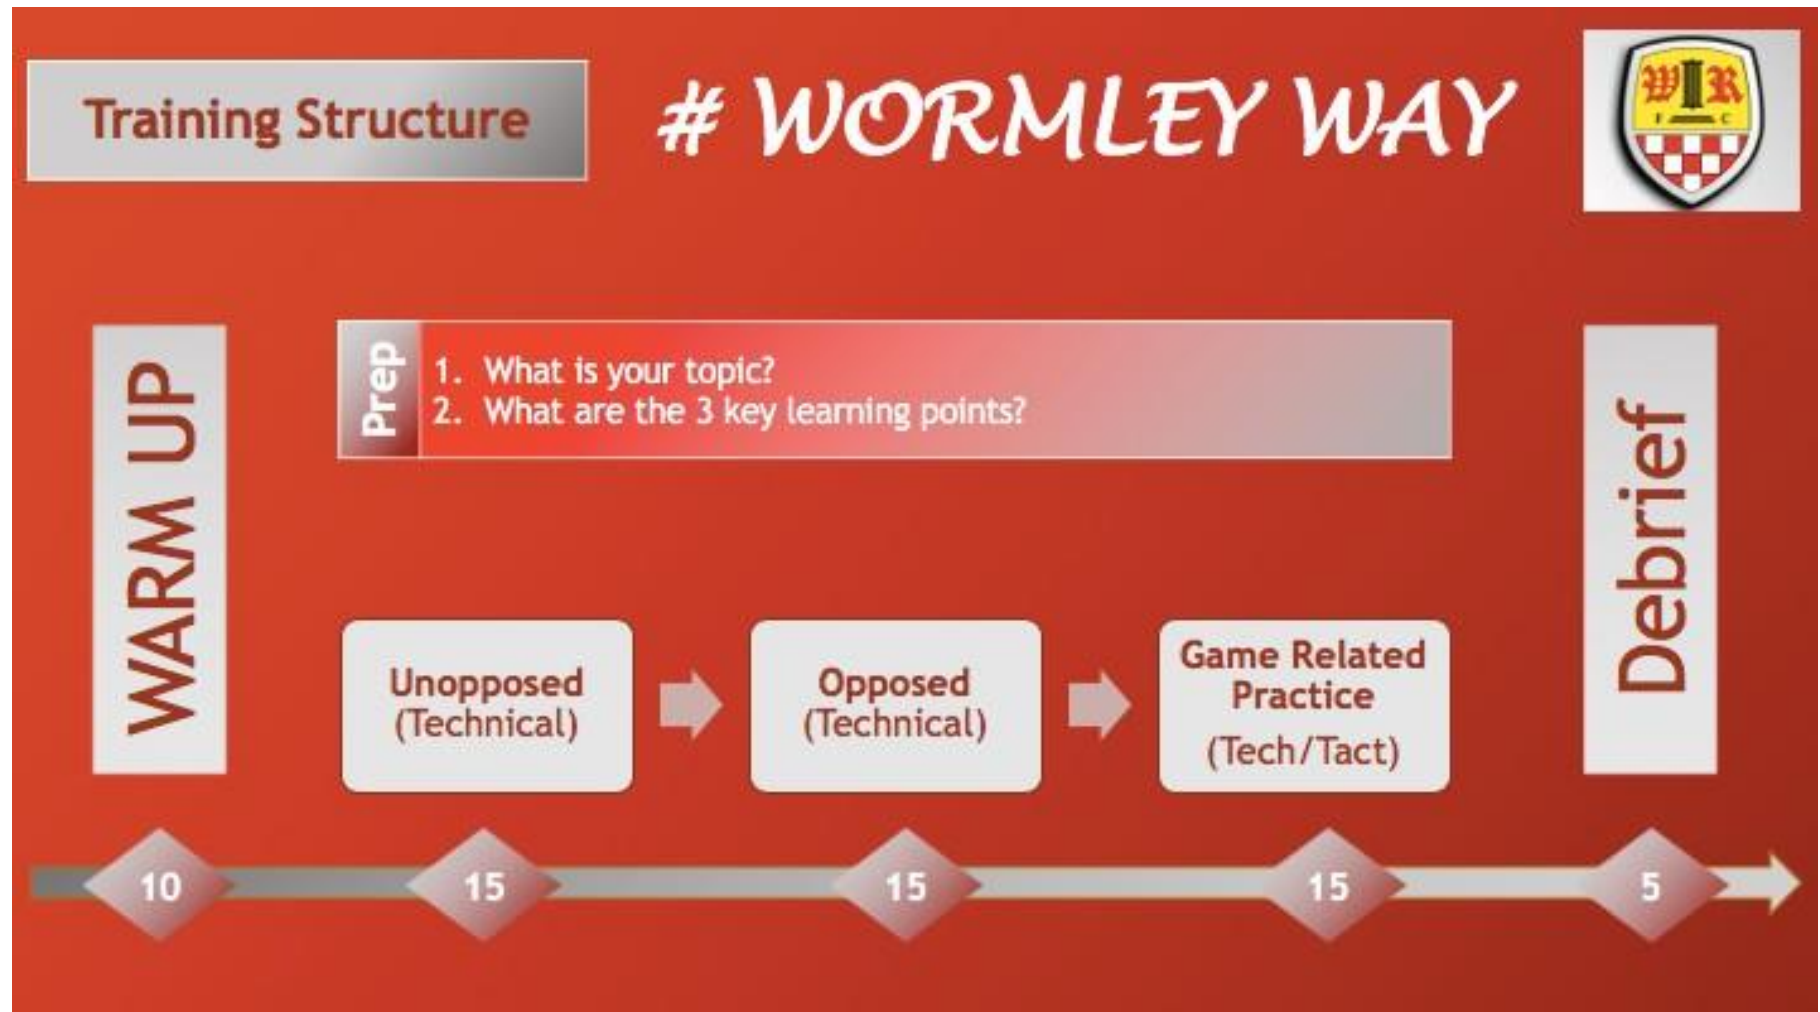

All coaches must complete the FA Child Safeguarding course and have DBS clearance and we require 2 coaches per team with at least 1 coach having at least the FA Level 1 coaching badge.

- *Lead by example*
- *Encourage players to try things without fear of failure*
- *Highlight positives and things people do well*

TRAINING

In partnership with professional football coaching companies we have designed an age related training programme to support our coaches to deliver a consistent approach to training throughout our youth section. There is a training structure and a detailed syllabus for each age group.
